12/24 V	1,2/3 W	2×0,75 mm ² ; length 0,7 m
Operating temperature range	Light colour	Ingress protection rating
from -30°C to +50°C	amber-red	IP68

DESCRIPTION

The **MDPC 2623** LED module is a proven **Old School**-style solution — combining a classic form, robust construction, and modern **LED** technology in one. Designed specifically for stalk marker lights, it perfectly blends functionality with timeless aesthetics. Its dual-diode system in **orange (front)** and **red (rear)** ensures clear vehicle marking from both the side and the rear. With a **12/24 V** power supply, the module is fully compatible with most trucks, trailers, and other special vehicles.
