LZD 2790/B

REAR MULTIFUNCTION LIGHT CLEO, BOTTOM MOUNT VERSION LZD 2790/B

TECHNICAL DATA

Light group	Light category	LED light
HOR 115N	multifunction rear	yes
LED quantity	**Rear position light**	**Rear direction indicator**
32	yes	yes
Brake light	**Side**	**Supply voltage**
yes	universal	12/24 V
Cable	**Operating temperature range**	**Ingress protection rating**
4×0,5 mm2; cable length 1 m	from -30°C to +50°C	IP68

DESCRIPTION

The rear multifunction light CLEO, side mount version **LZD 2790/B** is a compact light with modern design, made of premium materials and with energy-saving **LED** technology, offering excellent light performance with very low power consumption. The **LZD 2790/R2** light is fully water and dust resistant (**IP 68**), enabling trouble-free use whatever the terrain and weather conditions. The **32 high-performance LEDs** deliver even and intense light, increasing **visibility** and **safety on the road**. The product meets electromagnetic compatibility (**EMC**) standards to eliminate the risk of interference that could affect other vehicle electrical equipment. The **LZD 2790/B** light, bottom mount version, is universal in terms of mounting options. It can be mounted both on the left and right side of a vehicle, vertically and horizontally. This mounting means that installation of the light is extremely simple and flexible, and the light can be adapted to suit different types of vehicles and machines. **With light functions:**. – **NEON** rear position light; – rear direction indicator; – break light. This model will perform well in agricultural and construction machinery, specialised vehicles, forklifts, quads, light electric vehicles and municipal vehicles, to name but a few, where reliability and durability are key assets. **Power consumption at 12 V operating voltage:** – rear position light (2 W) – rear direction indicator (1,7 W) – break light (2,7 W) **Power consumption at 24 V operating voltage:** – rear position light (4,2 W) – rear direction indicator (4 W) – break light (3 W) Our range includes also **CLEO rear multifunction lights** in side mount **LZD 2790/W2** and tube mount **LZD 2790/R2** versions.
