DESCRIPTION

MDB 2568/GRAPHITE/5M is a **white** LED module for arm-mounted lights from the **HOR 102AD group**. The product is universal in terms of mounting options. It can be fitted on either the left or the right side of your vehicle. Designed for use from small trailers to trucks and semi-trailers. The lights from the **GRAPHITE** collection feature a sleek, dark shade, combining modern design with functionality for excellent visibility. The module operates at a universal voltage of **12/24 V** and has low energy consumption. The **module** has been manufactured only with **branded LEDs**, which ensure a unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. The high **IP 68** rating and the operating temperature range of **- 30 degrees C to + 50 degrees C** make it a top quality product. ***Make sure you stay safe on the road! Discover our collection of GRAPHITE lights, a stylish solution for the automotive industry.***
