| 9                           | yes                  | universal                                   |
| Supply voltage              | Power rating         | Cable                                       |
| 12/24 V                     | 0,6/1,1 W            | 2×0,75 mm <sup>2</sup> ; cable length 0,3 m |
| Operating temperature range | Light colour         | Ingress protection rating                   |
| from -30°C to +50°C         | white                | IP 68                                       |

### DESCRIPTION

**LD 997/GRAPHITE** is a **marker light** for various types of vehicles, such as trucks and vans, minibuses, semi-trailers, trailers and car transporters, agricultural machinery and specialised vehicles. The symmetrical design allows installation on both the right and left side of a vehicle. The light from the **GRAPHITE** collection features a sleek, dark shade, combining modern design with functionality for excellent visibility. **The LD 997/GRAPHITE front position light** features **universal 12/24 V** voltage, low power consumption (**12 V-0.6 W, 24 V-1.1 W**), high **IP 68** rating and an operating temperature range **from -30°C to +50°C**. The lamp emits clear **white light**. The light has been manufactured only with **branded LEDs**, which ensure a unique quality of illumination and add a visual appeal to the contour of a vehicle in motion. ***Make sure you stay safe on the road! Discover our collection of [GRAPHITE lights](#), a stylish solution for the automotive industry.***
